

just for **YOUth**

Your very own treasure hunt!

In the picture below you're finding hidden pictures of money symbols. Why not make this a game you play every day? As you go through the day, try to find "hidden money". Sometimes hidden money can be some coins under the couch cushions or a penny in the parking lot.

Hidden money can also be what we choose not to spend money on -- which saves us money. For example, if I wanted to go to the ice cream shop for a big double dip of chocolate peanut butter cup ice cream, but instead I chose to have a scoop of chocolate ice cream at home then I save money. The ice cream I have at home cost less money than going out for ice cream so the money I saved is my hidden treasure.

If you really want to have fun with it, every time you want to spend money see what you're willing to either do without or select a cheaper alternative for and put the money you saved in a jar. Before long you'll have a lot of hidden treasure!

Coin Counter at Oak Grove!

If you've found lots of "hidden treasure" coins like quarters, dimes, nickels, and pennies, bring them to our new Oak Grove office at 2121 Electric Road and use the new Coin Max machine. It's a fun way to count money and turn coins into dollars!

Can You Find the Hidden Money?

Some sneaky dollar signs (\$) and cent signs (¢) are hiding in this picture. Look closely—can you find and circle all of them (the magic number is 11)?

Save \$\$ At The Movies!

We sell discount movie tickets to Carmike and Regal theaters (which pretty much gets you into all your local theaters). You can even use them at ANY Regal or Carmike theater....so take some along when you travel!

Saving Pays...

in movie tickets! Dominique Murry is the quarterly winner of 4 movie tickets. Members age 22 & younger who increase their account balance by \$50 or more during the quarter are automatically entered. Start saving and you could be a winner too!

Congratulations to our Youth Week age 0-12 winner:

Nicholas Dales Jr!

Good Grades? You've earned Money!

Youth members in grades K-12 can earn \$2 for every "A" and \$1 for every "B" on their final year-end report card (max. \$15). Be sure to bring in your final report card (or send in a copy) before August 1st in order to receive the reward for your good grades!

SUMMER SAVINGS MAD LIB

Find a partner and ask him or her for words to fill in the spaces according to the description. Fill in all the spaces before you read it aloud. Be original and imaginative to come up with a great summer mad lib!

Wow! It's summer already and it's time to start saving _____ . I want to be able to buy a _____ by the end of the summer.

I wanted to go swimming so I took my _____ bike to the pool. When I got there

I _____ with some friends. We were hungry so we went to the snack stand to buy _____ .

I saw my _____ and told her about wanting to buy a _____ for something _____ to do this summer. My _____ said that sounded like a _____ idea.

When I was done swimming, we biked _____ miles home. I set up a budget plan to save _____ bucks a week. By _____ I will have enough to buy what I want. It's important to save so I can afford to have a _____ time.

I put money in my _____ bank and I also deposit most of it at my credit union.

I go to the _____ teller and I usually deposit _____ dollars.

Afterwards, I feel _____ that I'm saving my money and I hope that I can stick to my _____ budget.
